All programs assume an escrow account for taxes and insurance, 75% loan to approval, and a 740 credit score. Programs also assume there is no prepayment penalty and that the home is owner-occupied. Rates are subject to change without notice and certain restrictions apply. Appraisal fee is charged at application and reimbursed at closing. 5 and 7 Year ARMS's are fixed for their initial 5 and 7 year period. After the initial period, all ARM's have a 2% annual cap and a 5% lifetime cap.
